

An indoor cycling fundraiser to benefit ovarian cancer research

## WHAT IS WHEEL TO SURVIVE?

**Wheel to Survive**, presented by **Be the Difference Foundation**, is an inspirational indoor cycling fundraiser benefitting programs for women currently battling ovarian cancer and providing research dollars for a cure. **Wheel to Survive Dallas** will be held on **February 28, 2016** from **9:00 a.m. - 3:00 p.m.** at **JCC Dallas**. Cyclists of all skill levels are welcome to participate.

## HOW TO PARTICIPATE:

**Be the Difference Foundation** invites DFW businesses to participate in the **Wheel to Survive Dallas 2016 Corporate Challenge**. Designate a strong team captain to register and rally together a team of employees. Teams consist of 2-6 riders sharing a stationary bike and riding 45 minutes in six back-to-back sessions. Team members will register online and join the team. Single riders can also take the ultimate challenge and ride the full six hours on their own bike. **Each bike has a \$1500 minimum fundraising requirement.** The registration fee is \$40 per rider (\$50 after December 31st) and includes a Wheel to Survive event t-shirt, FREE training rides leading up to the event and a rider goodie bag provided on the day of the event.

## WHY YOU SHOULD RIDE:

There is **NO** routine, reliable early detection test available for ovarian cancer today, making the disease incredibly difficult to diagnose in the early stages. **1 in 70 women** will be diagnosed with ovarian cancer in her lifetime. **More than 70%** of women diagnosed with ovarian cancer will die of their disease, making it the most lethal gynecological cancer. Every dollar raised by riders benefits women currently in the fight against ovarian cancer. **We need your help to raise money and awareness to change the statistics.**

February 28, 2016

9:00 a.m. - 3:00 p.m.
