Be a part of the 2016 Wheel to Survive Dallas...

Wheel to Survive 2016 is Dallas' fourth annual 6-hour indoor cycling fundraiser presented by Be the Difference Foundation. The mission of Be the Difference Foundation is to help women increase their chance of survival of ovarian cancer. To achieve this goal, our efforts are focused on raising awareness and money to fund programs for women fighting ovarian cancer today and to provide research dollars for a cure.

Event details

All levels of riders are welcome from beginners to seasoned cyclists. Registration fees are \$50 for the 6 hour event. Participants can ride as individuals for the entire event or form a relay team. Individual riders riding all six hours have a minimum fundraising amount of \$500 and each relay team rider has a minimum fundraising requirement of \$250. One hundred percent of the dollars raised by participants goes to ovarian cancer research and supporting women in the fight.

Why we need YOUR help

Women with ovarian cancer need your help today. Ovarian cancer is the most lethal gynecological cancer affecting 1 in 70 women. Today more than 65% of ovarian cancer patients will die of their disease, compared to less than 20% of breast cancer patients. When ovarian cancer is detected and treated early, the five-year survival rate is greater than 92%. Sadly though, symptoms are vague and subtle, so most patients are diagnosed at later stages and less than 50% will survive longer than 5 years after their diagnosis.

IT IS TIME TO CHANGE THESE STATISTICS FOR OUR MOTHERS, DAUGHTERS, SISTERS AND WIVES AND BE THE DIFFERENCE IN THE FIGHT AGAINST OVARIAN CANCER TODAY!

About Be the Difference Foundation -- Jill Bach, Helen Gardner, Lynn Lentscher and Julie Shrell, each ovarian cancer survivors, wanted to give back and be the difference in the fight against ovarian cancer. Since its inception in 2012, Be the Difference Foundation has raised more than **\$1.5 million** to fund research and support women battling the disease through Wheel to Survive events in Dallas, Austin, San Diego and San Francisco.
